

Julie Reed

Has taught private lessons for over 30 years. 100's of students have uncovered their natural voices using her tried and true techniques.

"I am a wholistic teacher. I teach the whole person. Student's learn vocal techniques, the foundations of singing, breathing, presentation, performance, blocking and being emotive with their music."

Julie is a unique teacher because she also teaches her students how to have a balanced life through meditation, scheduling and putting first things first.

Elite Vocal Online

“I believe in picking songs for a singer's weakness to make that weakness into a strength. The combination of working weaknesses and supporting a student's natural gifts makes a singer into a well-rounded musician. In the end, my students know how to approach all styles of music & feel confident in who they are and how they choose to live their lives.”
